

E-MAIL: NEWSLETTERS

Power Transmission Engineering's E-Mail Newsletter is delivered the first four Tuesdays of each month to more than 11,000 opt-in subscribers. The E-Mail Newsletter brings our readers the latest news and exclusive articles. Each issue can accommodate one Sponsor Banner, up to nine Impact Blocks and one Sponsored Content (native advertising) white paper or video.

Sponsor Banner (\$1,045 per issue)

The E-Mail Newsletter Sponsor Banner is at the top of the newsletter, guaranteeing you the most prominent position available. Sponsor Banners measure 728 × 90 pixels, and can be in JPG or GIF (no animation allowed) formats. Only one Sponsor Banner position is available in each issue.

Impact Blocks (\$495 per issue)

Impact Blocks (right) are ideal for introducing new products, highlighting new technology or promoting upcoming events.

- Size and format:
- Graphic image in JPG, GIF or PNG format (200 pixels wide x 135 pixels tall). No animation allowed.
- Headline—Maximum 50 characters (about 8-10 words)
- Copy—Maximum 50 words
- Link to the URL of your choice

Middle Banner (\$575 per issue)

The middle banner appears below the first content section. The middle banner measures 728x90 pixels and can be in JPG, GIF of PNG (no animation allowed) formats. Only one middle banner is available in each issue.

Sponsored Content (Native Advertising) in Our E-Mail Newsletter (\$1,045 per issue)

Place your educational white paper, article or video in our E-Mail Newsletter, and we'll send it to our 11,500+ opt-in subscribers. This native advertising option gives you the opportunity to generate leads and increase your brand's position as a leading expert in our industry.

Sponsored Content automatically includes lead capture. We'll make sure you know who has looked at your content by asking visitors to fill out a brief form on the way in. (NOTE: Form fields are customizable at no extra charge.)

Smooth Sorting with SEW-EURODRIVE!

Sorting systems are essential when it comes to warehouse automation, material handling, and distribution. SEW-EURODRIVE's automated sorting solutions increase capacity, reliability, and performance, and help you achieve efficient energy usage. In this video, you will see what a sorting system with perfectly matched drive components from SEW-EURODRIVE can look like.

Watch Now

Your article or video will automatically appear in our editorial search results. Also, these articles and videos will become a permanent part of our online archive and accessible to our website visitors. White papers and webinars will also be featured in our quarterly "White Papers and Webinars" special edition (no extra charge).

What Do You Need to Provide?

- The Content This can be a PDF article or a *Word* document (we will prepare *Word* documents as HTML articles). If your featured content is a video, you should supply us with a YouTube embed code, MPEG or WMV file.
- Newsletter Image 1600 x 900 pixels, JPG format preferred.
- **Headline** 10 words or less, please. This will be used in the E-Mail Newsletter and in the search results.
- Blurb 50 words or less. This will be used in the E-Mail Newsletter and in the search results.
- Lead Capture Requirements We will normally capture Name, Title, Company Name and E-Mail address. If you require additional fields, please let us know.
